

First Academy Dress Code Policy 2025-2026

First Academy strives to provide an environment where clothing choices do not distract from learning. The dress code which follows is intended to be a practical, simple, and standardized expression of the principles of modesty, decency and appropriateness. 1 Timothy 2:9; 1 Peter 3:3-4 Students dressed in this manner will not wear clothing that is gaudy or provocative and will avoid extreme styles in either clothing or appearance.

Dress Code: Preschool and Pre-K

Dress your child in loose and comfortable clothes that are washable. Jeans, shorts or pants are preferable for girls because many of our activities are on the floor. If your child wears a dress or skirt, shorts or leggings must be worn underneath. We will spend some time outside each day, weather permitting. Be sure that your child has warm clothing for cold days. **Be sure to label all coats, sweaters, hats, etc., with your child's full name.** Wednesdays are chapel days, and so to encourage reverence, we ask that boys wear collared shirts and khaki shorts/pants, and girls are asked to wear skirts/dress.
