FIRST ACADEMY 2023-2024 ANNUAL TUITION AND FEES

1 YO Program	\$1,500.00
2 YO Program	\$2,500.00
3 YO Program	\$2,750.00
PreK	\$4,000.00
Kindergarten	\$5,500.00
1st -5th Grades	\$6,150.00
6th - 12th Grades	\$6,500.00

Tuition being paid in full through one payment is due by August 1, 2023. Tuition that is paid in full will receive a 2% discount on the annual tuition amount. Tuition being paid in monthly installments are due by the first of every tuition month. Tuition months are August 2023 through May 2024.

The maximum discount available is 50%. Discounts may be combined but cannot exceed 50% of the full tuition amount.

Tuition Discounts

Sibling Discount: Sibling discounts apply to families enrolling more than one student, once two or more students are enrolled in PreK or higher. The oldest student in a family will be considered the first student and will pay full tuition. Discounts for additional students are as follows:

\$150 per year for the second or each additional child in PreK.

\$200 per year for the second child in Kindergarten and higher.

\$250 per year for each additional child in Kindergarten and higher.

FBC Church Member Discount: The FBC church member discount applies to all active First Baptist Church members who have children enrolled in PreK and higher. These families will receive a 10% discount on each child.

Scholarship and Financial Aid

Although the ministry's financial aid fund for tuition assistance is modest, families who cannot afford full tuition should not hesitate to apply for admission. The need for assistance will not be considered in the admissions process.

For families seeking to enroll in the ministry of First Academy, your complete enrollment application must be in process (this includes all application forms and application fees) before you can be considered for financial aid.

Financial aid awards will not be made until we have received the application along with all required tax documents.

First Academy is an approved ALYN scholarship school and is a participant in the Georgia Tuition Tax Credit Scholarship Program. Students who are eligible for this funding will automatically be considered when the financial aid application is completed. You must apply for financial aid using the process described below to be eligible to receive the Alyn Scholarship Program.

Financial Aid Assessment

Tuition assistance is available on the basis of demonstrated need. If you believe that your resources are not sufficient to meet the total costs of First Academy, you are encouraged to apply.

This process provides a framework through which household needs can be measured fairly and equitably.

Book/Technology Fees

An annual book/technology fee is applied to each student's account in the month of February. The fee is determined by grade level and based on curriculum requirements for the grade.

Preschool Classes

We now have one flat fee for all of our preschool classes. However, you will still have the opportunity to send them only 2 days, 3 days, or 5 days. You may select those options through your Praxi portal when re-enrolling or enrolling.
